

Greetings All BMSS Families:

With open arms we welcome you to our school community. We have had a successful 2020-2021 academic school year free of COVID 19 and for this, we are truly grateful. As we all know this was a year like no other. Your partnership, resilience and determination in fighting this pandemic enabled our success together. We would like to thank our entire school community for their unwavering support during these challenging times.

While the vaccine has helped to contain and control the pandemic, we remain thoroughly committed to upholding our COVID 19 policies in order to ensure health and safety at BMSS. These policies will remain in place for an undetermined amount of time while learning to live and cope with the uncertainty of this virus. It is our utmost commitment and dedication to keep our community safe and free of COVID19. As always, we will continue to follow the science and will adjust our policy as we see fit. At BMSS, the safety of our entire school community is paramount. We pledge to provide our students the safest environment to learn and thrive. In the spirit of the school's motto: "Respect Yourself, Respect Others, and Respect the Environment," we have planned for this school year and beyond.

Cathy and I, Linda, are honored to continue our work at BMSS. We are thrilled to partner with you in continuing to provide the unparalleled Montessori Education that BMSS is known for. As the administrative team, our responsibilities include the safety and well-being of our students and overseeing their academic achievements. Adhering to the school's mission and working collaboratively with our faculty, staff and parents in order to ensure our success together remain our highest priority. The core principle of the school has always been one of integrity and caring for the children and families in all of our surrounding communities. We are humbled and grateful to be a part of such a wonderful school. Under our administration's leadership, BMSS has flourished and thrived to offer the highest quality of an authentic and culturally rich Montessori curriculum.

Our ultimate goal for the school year is to continue fostering open and consistent communication among all. To be respectful to our community members and to deliver outstanding care to our students while focusing on their academic and social learning. Our administration will continue modeling the three basic tenets of BMSS: *respect yourself, respect others and respect the environment*. In return, our students, will emulate the same

behaviors which support the Montessori philosophy. We will continue to work collaboratively with the faculty and our Board ensuring that all state regulations inclusive of CDC, DPH and EEC as defined in their codes are met. We take our leadership positions at heart and will make the necessary changes to ensure our continued success together. Under our guidance, new staff members will join our community and as a team, we will strengthen the program altogether. “Our Best Today and Better Tomorrow” has always been part of our core values.

We remain available to answer your questions and can also be reached by e-mail at [bmss@thebmss.org](mailto:bmss@thebmss.org) or [admissions@thebmss.org](mailto:admissions@thebmss.org) and the office at 781-784 3000. It is a pleasure to be of service to the school, parents, our students, and the entire community. Thank you for your time and attention. We look forward to a successful 2021-2022 school year with you and your family.

Please like us on Facebook, refer your family and friends to BMSS and visit our new website at [www.bilingualmontessorischoolofsharon.org](http://www.bilingualmontessorischoolofsharon.org). Enjoy the rest of your summer.

Warm Regards,  
Cathy and Linda
