WELCOME TO OUR SUMMER PROGRAM!

Our beautiful grounds on Lake Massapoag in Sharon, MA provides a striking setting for our children to call home in the summer. We pride ourselves in providing a well-rounded experience for children ranging from 15 months to age 6. Our children will participate in Athletics, Water Play, Science, Arts and everything in between.

Whether during the school year or the summer, our objective remains the same – providing your family with learning experiences that they will never forget. We will do our best to ensure that you and your children receive the finest care available within this community.

You'll receive exceptional customer service, and continue to enjoy the established relationships that have been created throughout the school year. Your children will laugh, learn and grow!

For those joining our Summer Program for the first time, we welcome you with open arms, and we invite you to learn more about the wonderful program we offer.

Something special for every child!
